Moscow Ballet's Great Russian Nutcracker is coming to the Orpheum Theatre. Acclaimed for exquisite dancing and spectacular sets and costumes, critics rave that Anatoli Emelianov's Great Russian Nutcracker is "flawless, breathtaking and dazzling."

Wimisical and imaginative storytelling blend with the richness of Russian classical dance to make the Great Russian Nutcracker a memorable holiday treat for all.

Now celebrating its 16th annual USA tour, Emelianov's Nutcracker is beloved by audiences and praised by critics for its unique setting of Act II in the Land of Peace and Harmony. Set against Valentin Fedorov's spectacular scenic design, replete with dancing puppets and a Rousseau inspired backdrop of unicorns, exotic birds and animals, Moscow Ballet's Great Russian Nutcracker is the must-see production of 2008.
