There's no better way to get through those scorching Friday summer afternoons! This event is sponsored by: Fox Kansas, My TV Wichita, Power 93.9, and the Sedgwick County Fire Department.

Of course kids aren't the only ones making a splash at Wet-n-Wild days. We now have two young penguins exploring the pool inside Cessna Penguin Cove. These youngsters are now approximately two months old and almost as big as the adult birds. They grow up so fast. Be sure to visit Cessna Penguin Cove next time you visit. Our penguins seem to be having lots of summer fun as they dive and swim.
